

The teamArchie Clipper 2023-24 Race Bursary Application Form

Please answer all questions as fully as possible. teamArchie's charitable purpose is to provide assistance to young people who may not have had the best start in life or the support necessary to make the most of their talents or realise their ambitions. Physical or mental health problems, substance abuse or criminal records will not necessarily adversely affect your application but failure to disclose information relevant to your application or your ability to take part in the race may, for instance, make insurance invalid. Similarly we are unlikely to award a bursary to a young person who could otherwise call on support from family, friends or employers to undertake this challenge.
